VENUES

Venues that connect

A woman with short white hair is smiling and looking towards a man in a dark suit whose back is to the camera. They are in a crowded indoor setting, likely a business conference or meeting. Other people in professional attire are visible in the background.

CONNECTING PEOPLE

We are in the meetings business.

We're all about bringing people together and providing the right environment for communication and learning to flourish and grow.

We're more than just facilitators of a product, we create inspiring and outstanding experiences for our customers.

BURLEIGH COURT

A FOCUSED ENVIRONMENT

We know from our research in face-to-face meetings that event organisers consider the perfect meetings environment to be 'bright, quiet and distraction free'.

The ideal meetings environment is flexible enough to enable any seating arrangement, without distraction and has the technical infrastructure to support multiple devices. Choosing the right meeting space is key to getting the most out of the meeting for delegates.

All of our meeting rooms are simply designed, keeping the focus on the trainer and the task in hand. From grab rails and flip charts to whiteboards and projectors, they contain everything you need for creative thinking. They are fully air conditioned to keep delegates comfortable but also, as many trainers prefer, to keep the room cool to maximise the delegate's concentration.

MEETINGS

24 well-equipped meeting rooms from 10 to 200 capacity. With AV, dedicated technician and mega fast WiFi included in every booking, you can concentrate on what you need to and let us worry about the rest.

LEISURE

After a hard day's work, kick back and recuperate at Burleigh Springs leisure and therapy centre. Treat yourself to a treatment, take a dip in the pool or relieve the tension of the day in our fully equipped gym. Free to use for all our guests, it's not all work and no play.

ACCOMMODATION

185 four star en-suite bedrooms, plus 40 high quality lodge rooms, giving you all the creature comforts you need to guarantee a great night's sleep and leave you fully prepared for your busy working day.

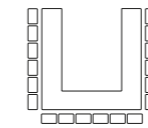

FOOD

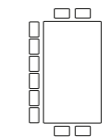

Whether morning, noon or night, we're sure you'll love our bar, lounge and restaurant food. We have a team of passionate chefs who are proud to use quality ingredients from local suppliers. Our award winning breakfast will get you full of beans for the day ahead!

A large indoor event space, possibly a sports arena or concert hall, filled with people and confetti. On the left, a stage is lit with bright blue and white lights, where a band is performing. In the center, a large, arched structure, possibly a tunnel or entrance, is illuminated with purple and blue lights. To the right, a large screen displays a scenic view of a building. The foreground shows a crowd of people, some sitting in wheelchairs, and a metal barrier. The overall atmosphere is festive and celebratory.
